

We would like to thank our valued SPONSORS:

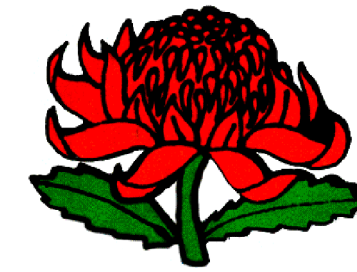

### The Arthur Souter Shield

This season we had a record 23 junior players who have played continuously for our club from Kangas, all the way through juniors. This is an impressive result and reflects well on our focus on player retention and in particular our Participation over Results policy in juniors. Also below you will find several photos of these young men from around ten years ago when they were each starting their journey with WPHCCC.
